LIFE OF LIVESTOCK
INDUSTRY MENACED

Lower Freight Rates Essential to
Keep Kentuckians in Business

W. S. Bell, president of the Louis-
ville Livestock Exchange, said in an
appeal to C. C. McChord, acting
chairman of the Interstate Com-
merce Commission, to bring his in-
fluence to bear to secure a reduc-
tion.

"The Livestock industry of the
South is in the most precarious
condition ever known," Mr. Bell said
in stockers, are the lowest in years,
a telegram to Chairman McChord.
"Cattle values, principally of young
and many producers, unable to real-
ize cost of production, are shipping
entire herds to market with the in-
tention of going out of the business
of stock raising.

I am daily in touch with shippers
and producers thruout Kentucky
and Tennessee who are complaining
bitterly of present freight rates in
livestock, and a reduction at this
time would do much toward reviv-
ing and sustaining the interest of
producers who need encouragement
of all kinds.

"Unless something is done in this
respect, this section of the country
will be depleted of livestock, as it
is impossible to produce at a profit
under present conditions.

"Can you offer encouragement?"

ARTEMUS NEWS

Mr. Otis Neal, Miss Emma Wheel-
er, Mr. R. L. Wheeler, Miss Grace
Neal and Mr. and Mrs. Arnold Rice
bied off to Cumberland Gap last
Thursday evening, Oct. 27th, where
Otis Neal and Emma Wheeler were
united in the holy bonds of matrim-
ony. On their return the younger
set of Artemus were ready for them
with rice, old shoes, bells, dishpans,
buckets and guns. They kept up a
charivari until the usual treat was
handed out by the groom. —Jesse
Stewart stole a march on the Ar-
temus folks one day last week and
brought in a bride from Harlan. —
On Tuesday evening a revival was
started at the Christian Church con-
ducted by the Rev. L. N. Bowling.
—Mr. and Mrs. Arnold Rice chap-
eroned a crowd of High School pu-
pils and members of the faculty on
a possum hunt Monday evening to
the Howard farm about two and one
half miles from town. After getting
one possum the tired hunters re-
turned to their homes. —The Board
of Trustees were very fortunate in
securing Mrs. Fay Johns Davis to
fill the vacancy recently created in
the school. The Board feels that
this will be a help to the school as
Mrs. Davis is an expression teacher.
We are looking forward to some
good programs, the first to be given
during Thanksgiving week.

LADIES AID OF THE METHODIST CHURCH

The Ladies Aid of the Methodist
Church held its regular meeting last
Friday afternoon, Nov. 4, 1921, at
the home of Mrs. A. M. Decker on
North Main Street with about twenty
members present. One new mem-
ber was enrolled, Mrs. Earl Mayhew.
The details of the Christmas Ba-
zaar, which is to be held Dec. 15,
were discussed at length, and also
arrangements completed for the Dol-
lar Social which is to be on the night
of Nov. 25.

We were honored by a call from
our minister, Rev. John Owen Gross.
There being no further business
the society adjourned, after which
the hostess served a delicious salad
course, pumpkin pie and hot coffee.
She was assisted in serving by Mrs.
James Jarvis and Mrs. A. M. Decker
Jr. The next meeting will be held
at the home of Mrs. Robert Cornett
on Nov. 18.

AUTO STRIKES

G. B. DETHERAGE

G. B. Detherage, of the Furniture
Store, just about stopped a Ford
last week. He was standing at the
front of the store near the gasoline
tank when struck by a passing car,
which ran in close to get ahead of
one in front. The fender struck Mr.
Detherage who took a flight into the
air. He went so high that he had
time to decide where to drop and so
fell on the Ford that struck him.
He was a bit skinned. Whether his
proximity to the gasoline tank had
surcharged him with gas and thus
converted him into a lighter than
air human machine, we leave to the
scientists, but the fact that G. B.
is a young man of considerable sta-
ture as well as avoirdupois com-
bined with his flight into the ether
would seem to indicate that a gaso-
line tank is the proper thing to be
standing by when one chooses to be
hit by a car. However, we do not
advise making a sport of the thing.
Someone might not be subject to in-
flation and thus get hurt. Safety
first.

Rheumatism Can Be Cured!

But You Must Clear Your Blood
of Waste Products.

Lack of exercise and improper diet causes
waste products to accumulate in the blood.
You will at once realize that unless the blood
is pure, some part of the body will become
diseased.

Rheumatism, with its pain and agony, is
one of the most serious diseases caused by
waste products in the blood. You know, of
course, the blood is not confined alone to the
arteries and veins. It passes out of these
channels to all parts of the body. This is
how sediments or waste products are de-
posited in the muscles and joints. Genuine
relief can be had only by correcting the
basic trouble—waste products.

Thousands and thousands of men and
women during the past 50 years have cleared
their blood of waste products with S. S. S.
It is the ideal remedy for rheumatism, be-
cause it removes the poisonous waste matter
which is causing the trouble. There are no
bad after effects and the result is wonderful.
Begin taking S. S. S. today and write for 56
page illustrated booklet, "Facts About the
Blood"—free.

Personal medical advice, without charge,
may also be had by sending a complete
